Testimonial

I want to thank you for the amazing week. I had a fantastic experience from start to finish and am still on a high. I have been telling everybody about the miraculous exercise you did with Phil to allow him to hit his first ever shot left handed straight 150 yards with draw as you had predicted. You didn't just give everyone the tools to help people, we all left with an increased air of confidence and trust in our own abilities. I believe that is down to your ability to motivate and bring clarity to the arena and I sincerely thank you for it. I have no hesitation saying it was one of the best experiences I ever had and I recommend the diploma course to everyone.
