### **What will happen after I attend?**

We will deal with many of the areas above using a totally new innovative approach the results of which may well surprise you. We have discovered from many of our very low handicapped players and even tour professionals who have attended our diploma 3 certification course how shocked they were regarding their knowledge of the basic fundamentals. The information we reveal on this training is exactly the same as we use on the diploma training for our golf coaches, so you will be enjoying all our secrets. You should enjoyed remarkable improvement during the weekend, which should continue long after you have returned home.
