

## **Mastery Certification Course 3-days**

### **What is Mastery?**

It comes in many varieties, yet follows certain unchanging laws. It brings rewards yet is not really a goal or a destination but rather a process, a journey. We call this journey mastery, and tend to assume it requires a special ticket available to only to those born with exceptional talent. But mastery is not reserved for the super talented or even those who are fortunate enough to have had an early start. It is available to anyone who is willing to get on the path and stay on it regardless of sex, age or privileged position.

### **Who should attend the Level 4 Certification Course and why?**

- To attend the Level IV course, you must be a fully certified member in good standing.
- The course is designed to develop experienced, career-oriented teaching professionals.
- Level 4 members may go on to become Trainers delivering diploma certifications

### **What will you learn?**

When Masters get together it is as much about expanding on what you already know as well as adding new tools to your toolbox. Your daily projects will stretch and facilitate all your current and newly acquired skills. Specific subject material includes:

- 1) Development of non-directional coaching skills
- 2) The importance of measuring the movements of a golfers centre of gravity during any action.
- 3) Performance profiling and its importance in any long term coaching.
- 4) Comparison of various swing models both theoretically and practically
- 5) Energy tapping for automatic improved performance.
- 6) How to develop power through correct understanding of the leverage system.

### **How will you qualify?**

- Requires the presentation of a written 2000 word thesis, shot-making demonstration and project presentation.

The Level IV Playing Ability Test is to be completed prior to attending the Level IV course. The Playing Ability Test can be taken at any one of the scheduled Level III courses or at any organised event WGTF. Levels required:

Under age 50:	One round of 77 or less.
Age 50-59:	One round of 79 or less
Age 60-69:	One round of 81 or less

### **What will happen once you have attained Mastery?**

Once you have attained mastery you will enjoy a new confidence while continuing to walk the path of mastery. You will be ready to complete your final WGTF training in becoming a trainer delivering level three certifications for the WGTF or for your self.
